Other Participants/Applicants:

BPS School(s) where Project will occur:

Please answer the following questions as they relate to your project. Successful applications will reflect thoughtful planning, help reviewers clearly understand the content and context of the project, and give them the confidence that any Foundation funds awarded will be well spent. Proposals should be directed to a lay audience (please avoid using specialized terminology or provide an explanation in lay terms). Incomplete proposals cannot be considered for funding. Please include any relevant links, research, etc, to provide more detail about your request.

Overview: Provide a summary description of your project that can be used for publicity, etc. (Describe the target audience, what will happen, when & where it will occur, how it will be executed).

Planning: Describe the planning done for this project in terms of process, and who or what organizations/individuals was/were involved as partners or advisors.

Goals/Objectives: What are the goals/anticipated outcome(s) of your project? What are the objectives for attaining that goal? How will your project complement or enhance existing curriculum goals? How is the project innovative?

Impact: Approximately how many students and teachers will participate in this project? Can the project be replicated? Any plans for sharing results with colleagues and the community?

Evaluation & Outcomes: How will you determine whether your goals and objectives have been met upon completion of the project? Will the project sustain itself beyond the current grant cycle?

Budget Info:

Provide project cost and budgeted details. If an exact cost is unknown, give an estimate and note that it is an estimate. All equipment purchased for the project will remain the property of the BPS at the completion of the project.

Applications must be shared and reviewed by the applicant's principal or supervisor prior to submission.
